

## Set for Success

### Summer 2018 Application

Set for Success is a weeklong program that will take place at the **Loveland Early Childhood Center** in June for students going into fifth to eighth grade at Loveland who are from families that are part of the underserved population in the community.

This year, the program will run from **Monday, June 4 to Friday, June 8** from **10:00 am to 3:00 pm** each day. The program will take place at Loveland Early Childhood Center (6740 Loveland-Miamiville Rd, Loveland, OH 45140) in room 19. It will feature different speakers and activities to help set students on a path for success. **Deadline to apply is Friday, May 11.** You may turn the application in at the Loveland Intermediate School office (5th and 6th grade building) or email it to [shannonknutsonjones@yahoo.com](mailto:shannonknutsonjones@yahoo.com)

In years past, some of the guests the program has featured included representatives from Cincinnati Recreation Commission who taught students how to play wheelchair football, financial aid advisors from the University of Cincinnati, a naturalist from the Great Parks foundation (with animal guests), an occupational therapist, volunteers with the Society for the Prevention of Cruelty to Animals (SPCA) and a Symmes township police officer and his K9 co-worker. The past two years have also included service projects. Two years ago, students decided to organize a supply drive for people experiencing homelessness in Cincinnati. Last year, students decided to make posters to raise awareness of different issues. We then displayed these posters in businesses around Loveland. I am excited to see what this year's students will decide to do! The program always promises to be a week of fun during which students learn a variety of important life skills. If you have further questions or concerns, please feel free to contact **Project Lead Shannon Jones** at [shannonknutsonjones@yahoo.com](mailto:shannonknutsonjones@yahoo.com) or (513) 444 – 8927 and **Executive Director Terri Rogers** at [trogers7@fuse.net](mailto:trogers7@fuse.net) or (513) 739 – 2354.
